Introducing the preacher:

We are particularly pleased to welcome Caroline Wyatt, whose warm voice and manner is instantly recognisable on Radio 4. Caroline reported on war and global affairs on TV and radio for over 25 years as a foreign correspondent for BBC News.

In 2014, Caroline moved from reporting on defence to covering global religious affairs, to examine more closely the role of religion as a powerful force for both division and unity in the world.

Since being diagnosed with MS in 2015, Caroline works as a presenter for the BBC Radio 4 PM news programme, as well as From Our Own Correspondent, and World Service Radio's The World This Week.
