Accommodation

The accommodation fees are listed in the table below; the options are as follows:

1. Term-time only accommodation: for this option, the date on which term ends is the date when students would normally be expected to move out of College accommodation.
2. Academic Year- accommodation: For full year students, this would include the Christmas and Easter vacation periods; for Hilary and Trinity students, this would include Easter only.
3. Alternatively, students may request to remain in College for shorter periods during the vacations by arrangement with the Bursary, towards the end of each term. This might not be in the student's term time room. Vacation residence is charged at a nightly rate, which is currently £29.88 (subject to increase for 2023-24).

Domestic arrangements and living costs

Students may purchase the subsidised meals that are served in the College Dining Hall. During term time, breakfast, lunch and dinner are served Monday to Friday, and additionally brunch on Saturday and dinner on Sunday. The average spend per meal at lunch and dinner is about £4 (slightly less for breakfast). There are also small shared kitchens available for students who wish to prepare their own meals. There is no catering pre-payment system at LMH. Students credit their College accounts on a pay-as-you-go basis and purchase meals in the Dining Hall using their University Card (our tills operate on a cashless system).

Students will also have access to a small pantry in their accommodation building, usually shared by around 8 people, in which small amounts of food can be stored and simple meals can be produced. Students will need to supply their own pots/pans and crockery, which can be purchased locally at reasonable prices.

Students have the option to request a bedding pack, which includes a pillow, pillowcase, duvet, duvet cover and bottom sheet. The cost of this is currently £25, which is normally billed to the student on arrival, but can also be billed to their sponsor on request.

The Oxford University website provides a useful guide on estimated living costs: <https://www.ox.ac.uk/admissions/undergraduate/fees-and-funding/living-costs?wssl=1>.
