

## FEES ARRANGEMENTS AND TERM DATES FOR VISITING STUDENTS 2025-2026

### Admissions policies

There is a deposit of **£1000** payable per student on acceptance of the offer of a place. This will be counted against their tuition fees on arrival, but will be non-refundable if the student withdraws after having accepted their place.

Any withdrawal must take place before 30<sup>th</sup> June for students starting in Michaelmas term, and before 30<sup>th</sup> September for students starting in Hilary term. **Students withdrawing after these dates will be liable for full tuition and accommodation fees for the duration of the programme.**

We do not permit candidates who have been offered a place on our programme to defer their place to the next academic year. We operate a competitive application process and in the interests of fairness, candidates must be considered with the same cohort in which they would be attending.

If a student who has accepted our offer of a place finds that they are no longer able (or does not wish) to attend in the academic year in which the place has been offered, the student would be obliged to withdraw (as per the withdrawal policy above) and re-apply in the next admissions cycle.

The tuition fees should be paid in full on receipt of an invoice sent by LMH's Student Finance Officer a few weeks prior to the student's start term (term dates are listed below on page 3).

### Accommodation

The provisional accommodation fees are listed in the table below; the options are as follows:

1. Term-time only accommodation: for this option, the date on which term ends is the date when students would normally be expected to move out of College accommodation.
2. Academic Year- accommodation: For full year students, this would include the Christmas and Easter vacation periods; for Hilary and Trinity students, this would include Easter only.

3. Alternatively, students may request to remain in College for shorter periods during the vacations by arrangement with the Accommodation Manager, towards the end of each term. This might not be in the student's term time room. Vacation residence is charged at a nightly rate, which is currently £33.02 (subject to increase for 2025-26).

Students will be asked to indicate which option they prefer on the accommodation questionnaire which is completed by all students as part of the admissions process.

### Domestic arrangements and living costs

Students may purchase the subsidised meals that are served in the College Dining Hall. During term time, breakfast, lunch and dinner are served Monday to Friday, and additionally brunch on Saturday and dinner on Sunday. The average cost for each meal is breakfast/brunch: £5-£7; lunch & dinner: £6-£8. There are also small shared kitchens available for students who wish to prepare their own meals. There is no catering pre-payment system at LMH. Students credit their College accounts on a pay-as-you-go basis and purchase meals in the Dining Hall using their University Card (our tills operate on a cashless system).

Students will also have access to a small pantry in their accommodation building, usually shared by around 8 people, in which small amounts of food can be stored and simple meals can be produced. Students will need to supply their own pots/pans and crockery, which can be purchased locally at reasonable prices.

Students have the option to request a bedding pack, which includes a pillow, pillowcase, duvet, duvet cover and bottom sheet. The cost of this is currently £27.30, which is normally billed to the student on arrival, but can also be billed to their sponsor on request.

The Oxford University website provides a useful guide on estimated living costs: <https://www.ox.ac.uk/admissions/undergraduate/fees-and-funding/living-costs?wssl=1>.
